SUBJECT LINES:

1. Health begins in the gut. And gut health starts with this:
2. "I lost 23 lbs...Let the journey continue!" – Synbiotic 365 success stories

PREHEADER:

- The clinically-studied probiotic that helps you LOSE WEIGHT
- If you've tried everything else and don't have the results...you can't miss out on this.

BODY:

Think of the **one problem** that's sucked up your ease of living the most, {{first_name|default:'friend'}}.

That you've spent ***months and years*** trying to resolve, but have come up with no results.

That seems like it's going to **last forever** no matter *what* you do.

For more and more people, **that one problem is gut health:**

- fatigue
- bloating
- brain fog
- leaky gut
- feeling backed up
- stubborn weight gain

If you've been nodding your head as you read this...

We've got to share something that's helped *thousands* of people get the **gut relief** they need –

Synbiotic 365.

When it comes to strengthening your gut and ramping up your metabolism...

You won't find anything that comes close!

Team NatureM.D. spent *years* **analyzing the scientific data** on probiotics and prebiotics to come up with the perfect gut-boosting formula:

- 14 clinically proven **probiotic strains**
- amplifying **prebiotics**
- and a selection of metabolism-boosting **B vitamins**

These ingredients work **synergistically** to restore your **microbiome**, which is the *most important step* in healing your gut...

And getting your quality of life back.

Synbiotic 365 has even been **clinically studied** to reduce waist size and body weight in obese individuals.

On top of that?

It has more real-life success stories than you could read in a week!

Here are just a few:

“I lost 23 lbs...Let the journey continue!”

*“Since taking this amazing product, I have more energy, less bloating, and I have **lost 23 lbs** in just over a month.*

*If this is any indication of what the future has in store for me, then I say, **WOW**...let the journey continue!”*

– Ali D

“I feel like a totally new man, like I felt in my thirties.”

“I’ve tried probiotics in the past and never really had success.

I consider myself a healthy and in shape 52 year old. But after every meal, no matter what it was, I felt tired, bloated, and ready for bed.

I read about Synbiotic 365 and with the wonderful warranty, I thought why not.

It has been a game and life changer.

I feel like a totally new man – like how I felt in my thirties.

*I didn't need to lose a lot of weight but it's helped me **lose the extra 10-15 pounds**, to get in "fighting" shape.*

I would recommend this to anyone if they want to have a happier, healthier disposition. Thank you for creating Synbiotic 365!"

– William P

"My doctor cannot believe my health."

"I am so pleased with Synbiotic 365. I am not the healthiest eater, but I have been taking this for 2 years and feel amazing.

No gut issues...nothing.

*My doctor cannot believe my health. I told him my secret weapon and he says that **Synbiotic 365** is likely making a **big** difference.*

After that, my husband & mother-in-law jumped on board. Both are very pleased.

Can't say enough about this amazing product!"
